

# MAKE IT A **GLASTRON** SUMMMER

SUPERIOR PERFORMANCE, VERSATILITY, AND STYLE... THAT'S WHAT WE DO.

Whether you are dedicated to making memories with the family or simply enjoy commanding the water making swift, energetic turns: everything is at your fingertips with a Glastron. Our GT models feature refined interior and exterior layouts with plenty of space for everyone on board while our sporty GTS series signifies a vigor that's defined by speed, precision, and a wide-open throttle. Inside a GTSF, everyone will be smiling no matter if you're fishing in the morning or wakeboarding in the afternoon. For devoted mariners, our GS 259 is dedicated for all day adventures that end with unforgettable starry nights. With models ranging from 18 to 25 feet, everyone can easily make it a Glastron summer!

## GLASTRON BOATS & TRAILERS

### **MOVABLE FUN**

Purchasing a boat without the ability to take it everywhere can limit an afternoon of family fun. With Glastron, every boat up to twenty-four feet comes standard with a custom-matched Glastron trailer enabling you to take your fun anywhere. With Glastron you can trailer and go wherever your adventures take you.

### **60 YEAR LEGACY**

Over 60 years of boat building heritage and craftsmanship have come together to deliver boats with a legacy of style and unparalleled design. We build boats that provide for your family; boats designed to make every moment memorable.

## SSV HULL

The legendary SSV (Super Stable Vee®) hull design is the biggest reason Glastron boats perform so well. It's quick to plane, with minimal bowrise, and tracks tight in the turns.
