

# GT 185 BOWRIDER

Not too big, and definitely not too small, the lightweight GT 185 is by no means light on features. It's easy to trailer, and easy on the budget – with an especially modest price tag. Once on the water, its performance more than lives up to its sporty exterior styling, thanks to our exclusive SSV® Hull design. So even without a monster-sized engine, you're in for some exhilarating fun.

## SPECIFICATIONS

LOA	18' 5"	(5.61 m)
Beam	88"	(2.24 m)
Deadrise	21°	21°
Draft Drive Unit Up	16"	(41 cm)
Draft Drive Unit Down	31"	(79 cm)
Fuel Capacity	24 gal	(91 L)
Maximum Capacity	1,100 lbs	(499 kg)
Approximate Weight with 3.0L MerCruiser®	2,315 lbs	(1,050 kg)

## WHAT'S UNIQUE

**SSV Hull** – Quick planing and very stable at top speeds. Also holds plane at low speeds which is good for all watersports.

**Double Truss Hull Construction** – Combination of the SSV Hull bonded together with our one-piece composite stringer system for a quiet/stable ride.

**Extended swim platform** is standard-ease of boarding and re-boarding.

**More passenger room** than most comparable models in this category.

**Bow Forward Design** – Quick planing SSV Hull, plus this design allows you to not lose sight of the horizon.

# GT 185 BOWRIDER
