

# GT 185 SKI/FISH

Is it a fishing boat you can ski behind? Or a bowrider you can fish from? Both, actually. With unmistakable styling and exceptional SSV® Hull performance, the GT 185 SF comes pre-loaded for non-stop action on the water. It converts from a corner-hugging, decked out bowrider to a fishing dream machine (or vice versa) in just minutes. Plus there's storage everywhere you look, including built-in tackle box trays and a live well. So you're covered whether it's a fishing day or playing day. Or both.

## SPECIFICATIONS

LOA	18' 5"	(5.61 m)
Beam	88"	(2.24 m)
Deadrise	21°	21°
Draft Drive Unit Up	16"	(41 cm)
Draft Drive Unit Down	31"	(79 cm)
Fuel Capacity	24 gal	(91 L)
Maximum Capacity	1,100 lbs	(499 kg)
Approximate Weight with 3.0L MerCruiser®	2,335 lbs	(1,059 kg)

## WHAT'S UNIQUE

**SSV® Hull** – Quick planing and very stable at high speeds. Also holds plane at very low speeds, which is good for all watersports.

**Double Truss Hull Construction** – Combination of the SSV Hull bonded together with our one-piece composite stringer system for a quiet/stable ride.

**Quick and easy conversion from ski boat to fishing boat and back** – can do in the middle of the lake.

**Storage for all ski/fish components** – so nothing gets left behind at the docks.

**Glastron's SSV® Hull draws as little as 16" with drive up** – so you can get into some tight spaces and catch the big one.

# GT 185 SKI/FISH
