

GT 205 BOWRIDER

Lean, muscular and agile, this bowrider model shows the water who's the boss – with performance, styling and features you'd only expect in higher-priced boats. The huge, comfortable bow and roomy bench seat give you plenty of room to stretch out. And the walk-thru transom gate makes it easy to re-enter after navigating the waves on your favorite board or skis.

SPECIFICATIONS

LOA	20' 8"	(6.30 m)
Beam	92"	(2.33 m)
Deadrise	21°	21°

Draft Drive Unit Down	31 ½"	(80 cm)
Fuel Capacity	34 gal	(128 L)
Maximum Capacity	1,275 lbs	(578 kg)
Approximate Weight with 4.3L MPIC MerCruiser®	2,750 lbs.	(1,247 kg)

WHAT'S UNIQUE

SSV® Hull – Quick Planing and very stable a high speeds. Also holds plan at very low speeds which is good for all watersports.

Double Truss Hull Construction – Combination of the SSV hull bonded together with our one-piece composite stringer system for a quite/ stable ride.

Performs very well with V-6 power – because of excellent weight to horsepower ratio.

Easy to tow with standard Sure-Load Custom trailer – matched to this models overall weight.

Bow forward design – Quick planing SSV hull plus this design allows you to not lose sight of the horizon.

GT 205 BOWRIDER
